RESPIRATORY THERAPIST

Experienced or New Grad are encouraged to apply.

Kewanee Hospital has a PRN position available in our Cardiopulmonary department. A current Illinois Respiratory Care Practitioner license is required. He/she must be able to demonstrate the knowledge and skills necessary to provide care appropriate for neonate through geriatric. The successful candidate will be required to demonstrate knowledge of the principles of growth and development over the life span and possess the ability to assess data reflective of the patient's status in addition to interpret the appropriate information needed to identify each patient's requirements relative to his/her age specific needs. Current CPR certification is required or willingness to obtain within 1 year of hire. Good human relation/communication and critical thinking skills are necessary.

Kewanee Hospital is located in Kewanee, Illinois. We are within one hour of the Quad Cities and Peoria and within 2 1/2 hours of Chicago. This rural community hospital of 220 employees provide a variety of clinical services to the surrounding area and also owns and operates a physician clinic. Benefits include health, dental, life insurance, long and short-term disability insurance, retirement plan, tax-deferred annuities, flexible spending reimbursement accounts and continuing education.

Kewanee is located in west central Illinois. Our community has a population of approximately 13,000 and offers small town living with the convenience of city life just a few miles away! We are ranked among the most affordable housing locations in the state that offers a wide variety of architectural styles and great neighborhoods. Residents enjoy a variety of shopping, dining, and entertainment options, including annual community festivals.
