Graduation Awards Portfolio Program

Invitation to Participate

Welcome! The Portfolio Program is your opportunity to compile a professional portfolio and apply for Trinity College of Nursing & Health Sciences graduation awards of Service and Leadership. It is our hope that you find your professional journey rewarding, stimulating and invigorating. A group of dedicated faculty, staff, and advisors at Trinity College have developed this portfolio package with you in mind.

We appreciate the work, skill, and knowledge that you put to use every day: satisfying your patient's needs, providing quality care to patients, working with families and the community to name a few. We hope that you will consider your own professional growth while developing your portfolio.

Please feel free to contact any of the Student Affairs Committee members with questions regarding your portfolio.

The Portfolio Program

An Introduction

The Portfolio Program at Trinity College of Nursing & Health Sciences provides structure for the student to demonstrate eligibility of recognition with the Service and Leadership awards, as well as, the knowledge and skills acquired while attending Trinity College.

The objectives of the Portfolio Program are simple and explicit: recognize and reward students of nursing, respiratory care, and radiography. We want all students to be satisfied with their career choice and be recognized for their growth.

Portfolio Guidelines

Eligibility

Student must be in good academic standing in the final semester of coursework that will culminate in graduation. Interested students are responsible for ensuring that their portfolio includes evidence and examples to verify participation or completion of activities for the selected awards. All documentation must be complete at the time of submission.

May graduation-portfolio due on the Friday before Spring Break.

August graduation-portfolio due on the first Friday of July.

Description of Awards

Service Excellence Award: The students selected for the Excellence in Service Award have demonstrated “service first” by providing noteworthy service to the College and their communities and have demonstrated a willingness and enthusiasm to help others. These servant-leaders interact well with their peers, faculty, staff and community members.

Leadership Excellence Award: The leadership award is presented to those students who create a positive and enthusiastic learning environment and set the standard for others to follow. These individuals have their own unique style of motivating others to achieve personal excellence. They set a good example and make a positive difference in their programs, professions and in the lives of others.

One of each award will be conferred per program providing there are students who meet the criteria.
