

ATI Continuous Enrollment Form

Nursing Program Progression Policy (ASN, BSN-A, BSN-B)

Students who do not pass the ATI Comprehensive Predictor will continue in the nursing program at less than half-time enrollment status until they have been “released” by their virtual ATI coach to take the NCLEX-RN (see the Standardized Assessment Test Requirement Policy). For the first semester following the date of their last nursing course, the student will be enrolled in CRU 300 at no charge. If the virtual ATI coach has not released the student by the end of the semester following the date of their last nursing course, the student will be continuously enrolled for subsequent semesters in CRU 301 at a cost of \$60.00 per unit until released to take the NCLEX-RN (see Tuition and Fees Information). See example.

EXAMPLE

If the student completes their course requirements at the end of the summer term in August and the ATI requirements are not met, the student will continue to work with the Virtual ATI coach during the fall term free of charge. If the Virtual ATI work continues, a \$60.00 per unit fee will be assessed beginning with the spring term and each term thereafter until the Virtual ATI requirements are fulfilled.
