

BACHELOR OF SCIENCE IN NURSING COMPLETION

PROGRAM GUIDE

Trinity College of Nursing
& Health Sciences
UnityPoint Health

Overview

The BSN-Completion program provides advanced education for the graduate of an associate degree or diploma nursing program. This is a 2-year full time program of study that can be completed on a part-time basis which includes online instruction and general education coursework. The program prepares professional nurses to function as providers, managers, and leaders of direct and indirect comprehensive nursing care in a variety of health care settings.

BSN graduates demonstrate the knowledge, proficiency, and cultural competence of an educated person including the ability to synthesize and apply knowledge from general and professional education. The baccalaureate nursing program reinforces accountability for lifelong learning and professional career development. Graduates practice in diverse nursing roles, including leadership and management positions, and provide knowledgeable and competent nursing care across many health care settings.

Admission Requirements

BSN completion students are awarded 71 credit hours upon acceptance into the program in recognition of previous education coursework required for licensure.

Applicants must provide the following to be considered for admission:

- Proof of unrestricted license from a state board of nursing
- Graduation from an accredited college or school of nursing
- Minimum GPA of 2.50 on a 4.0 scale

Accreditation

The baccalaureate degree program in nursing at Trinity College of Nursing & Health Sciences is accredited by the Commission on Collegiate Nursing Education (<http://www.cneaccreditation.org>).

Transferable Courses

Trinity College maintains cooperative agreements with Black Hawk College, EICC, and Portage Learning. Academic credit will generally be accepted from other regionally accredited institutions upon review. Admission Representatives will unofficially review transfer credit for applicants during the pre-application process. Upon receipt of application, the Registrar will evaluate the student transcript to formally approve transfer credit.
