

BLACK HAWK COLLEGE
Moline, Illinois
COOPERATIVE AGREEMENT WITH
TRINITY COLLEGE OF NURSING & HEALTH SCIENCES
Rock Island, Illinois

This agreement between Black Hawk College and Trinity College of Nursing & Health Sciences will be effective January 1, 2023 through January 1, 2027, or if the agreement is modified due to curricular or other changes. Prior to the expiration date, this agreement will be reviewed by both parties and appropriate changes incorporated. Intention of either party not to review the agreement shall require notice to the other party at least six months prior to the expiration date.

Black Hawk College and Trinity College mutually agree to the following:

1. Instruction for the courses offered by Black Hawk College in support of Trinity College of Nursing & Health Sciences in accordance with the requirement for content as recommended by the State and national approving/accrediting bodies.
2. The days and hours of instruction will be planned by Black Hawk College in consultation with the Trinity College Dean of Nursing & Health Sciences, the Dean of Enrollment Management, Program Directors, Program Chairs, and the Curriculum Committee.
3. Trinity College will be considered the “home” institution and is responsible for monitoring student eligibility requirements, record keeping, and distribution of student financial aid.
4. Trinity College agrees to:
 - a. Pay the in-district tuition rate, associated course fees and DDA to Black Hawk College for registered students.
 - b. Evaluate the effectiveness of general education courses for Trinity College of Nursing & Health Sciences curricula.
 - c. Provide a release of information for each Trinity student enrolled at Black Hawk College
5. Black Hawk College agrees to:
 - a. Provide classroom space.
 - b. Provide a course syllabus to the Trinity College Dean/Curriculum Committee for each of the courses listed in this agreement when requested.
 - c. Provide curriculum vitae for all involved faculty upon request.
 - d. Have chairpersons and faculty at Black Hawk College, upon request, assist the Trinity College Registrar in determination of acceptance for transfer credit for specific equivalent general education courses from institutions other than Black Hawk College.
 - e. Provide instruction for the following courses:

COURSE	COURSE NAME	Credits
Anthropology 101	Introduction to Physical Anthropology	3
Anthropology 102	Introduction to Cultural Anthropology	3
Biology 105	General Biology 1 with lab	5

NOTIFICATION

Black Hawk College and Trinity College of Nursing & Health Sciences do not discriminate on the basis of race, color, religion, gender, national origin, disability, marital status, or age in the recruitment and admission of students, the recruitment and employment of faculty and staff, or operation of its educational programs as specified by Federal laws and Regulations.

INDEMNIFICATION

The parties agree to indemnify, hold each other harmless, and defend each other, officers, directors, employees, successors, and assigns, from all liabilities, claims, demands, judgements, costs (including reasonable attorney's fees) and expenses arising out of or in connection with the unlawful, wrongful or negligent acts or omissions of either party in the performance or non-performance of the terms of this Agreement.

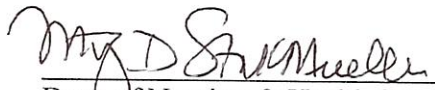

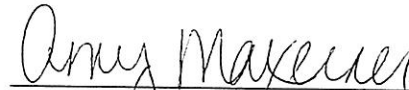

MISCELLANEOUS

- A. This Agreement shall be construed and enforced in accordance with and governed by the laws of the State of Illinois
- B. This Agreement constitutes the entire agreement of the parties. This Agreement supersedes all prior negotiations, oral understandings, resolutions and statement of intent pertaining to the subject matter herein.
- C. Each of the individuals executing this Agreement represents and warrants that it has the authority to execute this Agreement and binds the respective parties.
- D. This Agreement may not be assigned without the prior written consent of both parties.
- E. The waiver of any party of any breach of any provision of this Agreement by the other party shall not operate or be construed as a waiver of any subsequent or other reach of the same or any other provision of this Agreement by the other party.

ASSURANCE STATEMENT

It shall be agreed that parties on this agreement will not discriminate in employment opportunities on the basis of race, color, religion, gender, national origin disability, marital status, or age.

Dear Tom:

Enclosed you will find the updated version of the agreement along with the coursework updates that were provided to us by Bettie Truitt.

Please sign and return a copy of the agreement in the enclosed envelope. Tracy Poelvoorde, the Dean and I have both signed the agreement. If you see any corrections that need to be made, please let me know and we will make the changes and return for your signatures.

Thanks so much.

Best Regards,

Dr. Susan Wajert, Ph.D.

April 5, 2010

Lisa Oberg
Administrative Assistant to the
Dean of Instructional Programs
Black Hawk College
6600 34th Avenue
Moline, IL. 612165

Dear Lisa;

I am returning the updated agreement between Black Hawk College and Trinity College of Nursing & Health Sciences which will be effective for the period of August 12, 2010 through August 14, 2015.

Our institutions have a long and good history which we value very much.

A few changes for page one of the Agreement of Cooperation please:

2. Line #2 (*please delete Department Directors and Director of Student Services*) and add:
Dean of Nursing & Health Sciences and the Dean of Enrollment and Student and Alumni Affairs.
Please keep Program Coordinators and Curriculum Committee.

The College courses listed are correct.

Thank you.

Sincerely,

Sandra L. Bellinger, Ed.D., R.N.
Interim Chancellor

Agreement Of Cooperation
ASSOCIATE DEGREE NURSING

This agreement between Black Hawk College and TRINITY MEDICAL CENTER will be effective for the period of July 1, 2000, through June 30, 2005. Prior to the expiration date, both parties will review this agreement and appropriate changes incorporated if agreed to by both parties. Intention of either party not to renew the agreement shall require notice to the other party at least six months prior to the expiration date.

Black Hawk College and TRINITY MEDICAL CENTER mutually agree to the following:

1. Students enrolled in the ASSOCIATE DEGREE NURSING program at Black Hawk College may utilize, for clinical laboratory experience, the various units of TRINITY MEDICAL CENTER.
 - a. The instructors of Black Hawk College in consultation with the affiliation coordinator of TRINITY MEDICAL CENTER will plan units, days and hours of clinical laboratory experience.
 - b. A list of clinical practice units to be used, the names of students involved in each unit, student level, and the dates of these assignments will be provided to the affiliation coordinator at the beginning of each rotation.
2. TRINITY MEDICAL CENTER agrees to:
 - a. Provide classroom space for planned pre and post conference.
 - b. Provide locker facilities for Black Hawk College faculty and students.
 - c. Permit Black Hawk College faculty and students to use, at their own expense, cafeteria facilities at employee rates.
 - d. Acknowledge that the direct responsibility of patient care is always the responsibility of the credentialed healthcare professional assigned to the patient.
 - e. Provide scrub clothes where clinical experience requires the use of scrub clothes.
 - f. Provide for orientation of the instructors to the facility and units.
 - g. Make educational materials available to the instructors and students.
 - h. Retain the right to refuse inappropriate instructors and/or students.
3. Black Hawk College agrees to:
 - a. Provide all supervision and instruction required in the program except in those specific instances where other provisions are made.
 - b. Abide by the existing rules, regulations, policies, and procedures of the facility.
 - c. Provide formal classroom instruction in the Universal Precautions before students are allowed in the clinical areas.
 - 1) Have all students and instructors whose duties include routine or reasonably anticipated tasks or procedures where there is actual or potential exposure to blood, body fluids, or other potentially infectious material:
 - a) Follow facility OSHA Blood Borne Pathogen Standard Exposure Control Plan.
 - b) Provide proof of orientation and an annual update of the OSHA Blood Borne Pathogen Standard.
 - c) Provide proof of Hepatitis B immunization or declination.
 - d) Inform the facility of the status of students with blood borne pathogens if the College is made aware of such status by the student.

ENTERED JUN 08 2001

- e) Students shall not be in the clinical areas, unless getting their assignment, without an instructor immediately available.
 - f) Provide professional liability insurance coverage specific to Black Hawk College students and faculty while engaged in clinical practice for the programs and applying only to activities related to the program.
 - g) The instructor will be responsible for the quality of care his/her students provide.
 - h) The students are directly responsible to the instructor for their care of patients; they are indirectly responsible to the facility health care professional.
 - i) The instructor will assign the students clinical experience.
 - j) Before they begin their clinical practice, students must be free of any communicable disease.
- 1) Assure that all students and clinical instructors complete the following testing before initial clinical assignment:
 - a) Two step TB skin test (PPD). This test must be within one year before clinical assignment. Chest x-ray is required for anyone testing positive to the skin test. Positive reactors may be referred to the county health department TB clinic for treatment recommendations and/or work restrictions.
 - b) Proof of rubella immunity consisting of rubella vaccine received after 15 months of age or serologic tests showing the presence of rubella antibodies. Disease history is not acceptable as proof of immunity.
 - c) Proof of measles immunity consisting of adequate vaccine history of two doses of live measles vaccine after 15 months of age, serologic tests showing the presence of measles antibodies, or physician diagnosed measles.
 - 2) Annually, all students and clinical instructors will complete the following testing:
 - a) TB skin test for negative reactors.
 - b) Chest x-ray for positive reactors, according to county health department guidelines.
 - c) Black Hawk College faculty health program will remain in effect during the time students and instructors are on the facility's premises. Students are responsible for their own health insurance.

- i. TRINITY MEDICAL CENTER at all times retains the responsibility and accountability for patient care.

NOTIFICATION

Black Hawk College does not discriminate on the basis of race, color, religion, gender, national origin, disability, marital status, or age in the recruitment and admission of students, the recruitment and employment of faculty and staff, or the operation of its educational programs as specified by Federal laws and regulations. The coordinator of compliance is Bob Smith, 796-1311, ext. 1221.

ASSURANCE STATEMENT

It shall be agreed that parties participating in this program will not discriminate in employment opportunities on the basis of race, color, national origin, gender, disability or marital status.

AGREEMENT OF COOPERATION
Licensed Practical Nursing Program

This agreement between Black Hawk College and TRINITY MEDICAL CENTER will be for a term of five (5) years ending June 30, 2005. Intention of either party not to renew the agreement shall require notice to the other party of at least 120 days.

Black Hawk College and TRINITY MEDICAL CENTER mutually agree to the following:

1. Students enrolled in the Licensed Practical Nursing Program at Black Hawk College may utilize, for clinical laboratory experience, the various units of TRINITY MEDICAL CENTER.
 - a. Units, days and hours of clinical laboratory experience will be planned by the instructors of Black Hawk College in consultation with the affiliation coordinator of TRINITY MEDICAL CENTER.
 - b. A list of clinical practice units to be used, the names of students involved in each unit, student level, and the dates for these assignments will be provided to the affiliation coordinator at the beginning of each rotation.
 - c. Black Hawk College agrees to indemnify TRINITY MEDICAL CENTER from all loss, expense, or damage arising out of claims or suits relating to the sole negligent acts or omissions of the college, its officer, agents, employees, students, or faculty members, while said school officers, agents, employees, students, or faculty members are engaged in the performance of their duties on the premises of the cooperating agency.

TRINITY MEDICAL CENTER agrees to indemnify Black Hawk College from all loss, expense, or damage arising out of claims or suits relating to the sole negligent acts or omissions of TRINITY MEDICAL CENTER, its officers, agents, or employees while TRINITY MEDICAL CENTER officers, agents, or employees are engaged in the performance of their duties.
 - d. It is understood that students are not employees of TRINITY MEDICAL CENTER, do not receive compensation or benefits in connection with their activities at TRINITY MEDICAL CENTER, are not provided worker's compensation benefits, and shall not act as agents or employees of TRINITY MEDICAL CENTER.
2. TRINITY MEDICAL CENTER agrees to:
 - a. Provide classroom space for planned pre and post conferences.
 - b. Permit Black Hawk College faculty and students to use, at their own expense, cafeteria facilities at employee rates.
 - c. Acknowledge that the direct responsibility of patient care is always the responsibility of the credentialed healthcare professional assigned to the patient.
 - d. Provide scrub clothes where clinical experience requires the use of scrub clothes.
 - e. Provide for orientation of the instructors to the facility and units.
 - f. Make educational materials available to the instructors and students.
 - g. Retain the right to refuse or reassign inappropriate instructors and/or students.
3. Black Hawk College agrees to:
 - a. Show evidence that students and instructors possess current Basic Life Support credentialing in CPR and education in Universal Precautions. Black Hawk College will ensure students and instructors' participation in a condensed hospital orientation, prior to first day of clinical experience.
 - b. Provide all supervision and instruction required in the program except in those specific instances where other provisions are made.

ENTERED JUN 08 2001

- c. Abide by the existing rules, regulations, policies, and procedures of the facility, including, but not limited to, infection control, hazardous materials management, and confidentiality.
- d. Provide formal classroom instruction in the Universal Precautions before students are allowed in the clinical areas.
 - 1) Have all students and instructors whose duties include routine or reasonably anticipated tasks or procedures where there is actual or potential exposure to blood, body fluids, or other potentially infectious material:
 - a) Follow facility OSHA Blood Borne Pathogen Standard Exposure Control Plan.
 - b) Provide proof of orientation and an annual update of the OSHA Blood Borne Pathogen Standard.
 - c) Provide proof of Hepatitis B immunization or declination.
 - d) Inform the facility of the status of students with blood borne pathogens if the College is made aware of such status by the student.

- e. Students shall not be in the clinical areas, unless getting their assignment, without an instructor immediately available.
- f. Black Hawk College will maintain liability insurance with minimum limits of liability of one million dollars (\$1,000,000) per occurrence and three million dollars (\$3,000,000) in the aggregate and shall supply upon request to TRINITY MEDICAL CENTER appropriate certificates of insurance evidencing such coverage.

Black Hawk College will notify TRINITY MEDICAL CENTER in writing 30 days before cancellation or termination of such coverage or a decrease in the dollar amount of coverage provided. TRINITY MEDICAL CENTER may terminate this Agreement immediately if coverage becomes insufficient.

- g. The instructor will be responsible for the quality of care his/her students provide.
- h. The students are directly responsible to the instructor for their care of patients; they are indirectly responsible to the facility health care professional.
- i. The instructor will assign the students clinical experience in consultation with Trinity health care professionals.
- j. Before they begin their clinical practice, students must be free of any communicable disease.
 - 1) Assure that all students and clinical instructors complete the following testing before initial clinical assignments:
 - a) Two step T.B. skin test (PPD). This test must be within one year before clinical assignment. Chest x-ray is required for anyone testing positive to the skin test. Positive reactors may be referred to the county health department TB clinic for treatment recommendations and/or work restrictions.
 - b) Proof of rubella immunity consisting of rubella vaccine received after 15 months of age or serologic tests showing the presence of rubella antibodies. Disease history is not acceptable as proof of immunity.
 - c) Proof of measles immunity consisting of adequate vaccine history of two doses of live measles vaccine after 15 months of age, serologic tests showing the presence of measles antibodies, or physician diagnosed measles.
 - 2) Annually, all students and clinical instructors will complete the following testing:
 - a) TB skin test for negative reactors.
 - b) Chest x-ray for positive reactors, according to county health department guidelines.
 - c) Black Hawk College faculty health programs will remain in effect during the time students and instructors are on the facility's premises. Students are responsible for their own health insurance.
 - 3) Evidence of compliance with these requirements will be provided to the facility.

k. TRINITY MEDICAL CENTER at all times retains the responsibility and accountability for patient care.

NOTIFICATION

Black Hawk College does not discriminate on the basis of race, color, religion, gender, national origin, disability, marital status, or age in the recruitment and admission of students, the recruitment and employment of faculty and staff, or the operation of its educational programs as specified by Federal laws and regulations. The coordinator of compliance is Bob Smith, 796-5221.

ASSURANCE STATEMENT

SUBJECT: Cooperative Agreement Between Black Hawk College and Trinity
Schools of Surgical Technology, Radiography, Emergency Medical
Services, and Allied Health

DATE: May 17, 2001

I have enclosed the signed copy of the agreement of cooperation between Black Hawk College and Trinity Schools of Surgical Technology, Radiography, Emergency Medical Services, and Allied Health.

The agreement outlines the general education courses that Trinity students will enroll and complete at Black Hawk College towards their degree. I look forward to continued cooperative relationships. Please let me know if we can be of further assistance at this time.
