

DEGREE: BACHELOR OF SCIENCE IN NURSING
OPTION: BSN-BASIC (WITH MILITARY MEDIC ADVANCED STANDING PART-TIME)
CODE: BSNM925

QUICK FACTS

DURATION

Eight-semester program option | Fall Start

COURSE DELIVERY

Online (ONL) courses are completed asynchronously, with 100% of the coursework online. Hybrid (HYB) courses include synchronous or asynchronous coursework and scheduled lab or clinical experiences. Face-to-face (F2F) courses meet in the classroom, lab, and/or clinical setting, with course components provided online in the Blackboard Learning Management System.

LICENSURE

Graduates apply for licensure as a Registered Nurse (RN)

PRACTICE SETTING

Hospitals, clinics, community-based care, and behavioral health

CAREER OPPORTUNITIES

As a BSN student, you will learn diverse skills that will allow you to pursue a multitude of roles in different job sectors such as:

- Direct client care in general Medical Surgical Nursing
- Specialty settings such as Labor and Delivery, Pediatrics, and Behavioral Health
- Emergency Department
- Intensive Care
- School Nursing

Contact hours are learning experiences planned by faculty; additional study time beyond the contact hours is expected. The allocation of contact hours between synchronous and asynchronous learning is approximate and may be adjusted.

TRANSFERABLE COURSES

Trinity College maintains cooperative agreements with Black Hawk College, Eastern Iowa Community Colleges, and Portage Learning. These institutions offer all general education courses required for the BSN degree. Academic credit will generally be accepted from other regionally accredited institutions upon review. Admission representatives will unofficially review transfer credit for applicants during the pre-application process. Upon receipt of the application, the Registrar will formally evaluate the student transcript to approve transfer credit.

NEXT STEPS

- Online Application:
